

Key Performance Indicators [Impact Metrics]

Metrics	KPIs	CTAs
Total Attendance	80 (40 per event)	Through targeted marketing campaigns and strategic partnerships, there will be massive improvement in the attendance
Target Audience Involvement	40 people engaged in Questions and answers and panel discussions	Encourage target audience engagement through interactive sessions and networking opportunities.
Number of sponsors	1	by identifying potential sponsors and reaching out to them.
Sponsor Net Promoter Score	70+	by providing value to sponsors through strategic brand positioning, thought leadership opportunities.
Thought leadership	Increase brand recognition and thought leadership through speaking and writing opportunities, highlighting ICP technology's uniqueness and use cases.	By positioning ICP as a leader in the industry through compelling thought leadership content and targeted outreach efforts.

- Attendance would be increased by promoting the event through targeted social media campaigns and partnerships with industry organisations.
- Encourage target audience involvement by offering exclusive online workshops and panels featuring industry leaders and ICP experts.

Hence, at the end of this project, we aim to achieve the following;

1. 80 users/developers interacting with various dapps on the internet computer
2. 80 users shall create their internet identity
3. 40 developers being supported and encouraged to take the internet computer course and start building dapps
4. 60 photo contents by participants and hashtags will be shared across twitter
5. All attendees shall follow Dfinity and ICP EAST Africa on twitter.
